

BBA CARNIVAL 2023

On 23rd February 2023, “B.B.A CARNIVAL”, the Management Fest was conducted by the Department of Business Administration and Management under the Faculty of commerce. This Intra Collegiate Management Fest was held with the objective of encouraging the B.B.A Students to hone their Managerial skills.

The fest was organized in presence of our honorable HOD, Dr. Sharda Gangwar and several department teachers. This mega event was inaugurated by the respected HOD, Dr. Sharda Gangwar.

The host gave a brief introduction about the fest and various interesting events. There were four events, Tug of Brains (a quiz competition), Merlin’s Odyssey (Treasure Hunt), Open Mic Competition and especially the various food stalls which were a huge success and was widely appreciated and enjoyed by the students. The fest started with the Open Mic Competition in which students performed various activities like singing, poetry etc. Next began the rounds of Treasure hunt in which numerous groups of students curiously & enthusiastically and went on an ‘odyssey’ round the college in search of all the clues. Students from various departments participated with a zeal in all the events. Each competitive event had various rounds with its judges who adjudged the student's potentiality.

Although there were expectations which need to be levelled up and support which was desired, there was a soul to this mega-event as it was the first event solely to be organized by the students themselves, everyone really enjoyed a lot and dispersed with a sincere hope that such mega-event should be organized time and again giving the students a chance to display their talents.
