

15th, March 2023 marked as the first day of National Workshop on Conceptual and Practical Applications on Managerial Economics conducted by the Department of Business Administration and Management under the Faculty of Commerce.

The workshop started with the counselling and guidance of Dr. Sharda Gangwar (HOD BBA DEPARTMENT). The program was anchored by Ms. Neha Adwani. She explained about the importance of this workshop.

A description on Managerial Economics and other topics was then given by Ms. Neha Adwani. This was followed by questions and discussion among the students. Assessment of students was done through quizzes in online mode by Google forms. The students showed great efforts and enthusiasm in making this workshop a huge success.
