

21st, March 2023 noted as the last day of National Workshop on Conceptual and Practical Applications on Managerial Economics conducted by the Department of Business Administration and Management under the Faculty of Commerce. The workshop was held under the presence of Dr. Sharda Gangwar (HOD, BBA Department)

The workshop was conducted in online mode. It started with the welcome of DR. ASHISHKUMAR JANAKRAY DAVE. The topic for the day was Production Function of Managerial Economics which was explained in a tremendous way by DR. ASHISHKUMAR JANAKRAY DAVE. The workshop was followed by interactive questions and discussion among the students. He also gave tasks related to the concept. He ensured each and every student who joined the session be able to take advantage of it in every possible manner.
