LAKSHAYA- FELICITATION TO MISS MONIKA DIWEDI

DATE – 25 MAY 2022

VENUE – IEHE CAMPUS

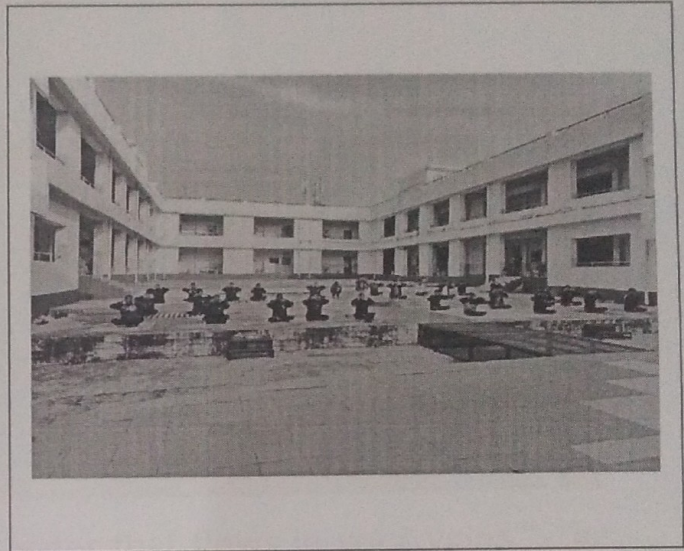

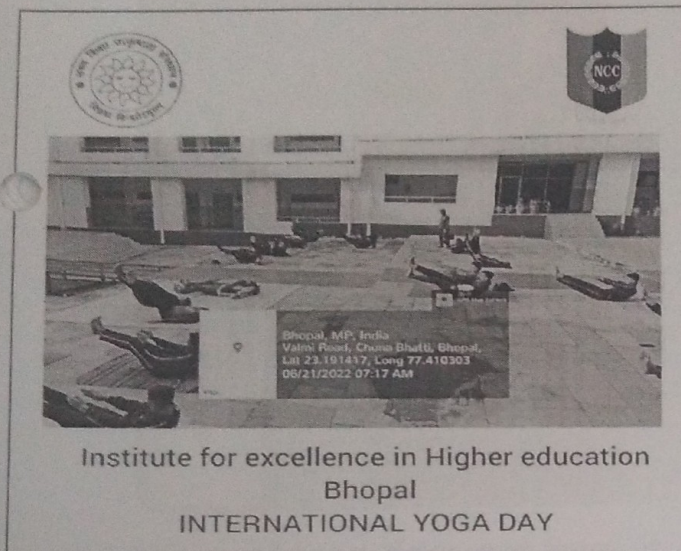

As it is said, self-belief and hard work will always earn you success. We all knew that we can't achieve something without sacrificing something. Success also urges various things from you. But these sacrifices will not go in vain if you achieve your goal. Certainly, many people achieve professional success but in doing so they fail in achieving mental, social and physical success. The definition of success can vary from person to person. Students of IEHE have always made us proud by accomplishing top ranks in various exams. LAKSHAYA- Strive to Success, an event which was organized by our Cadets, under the supervision of our C/T Dr

Rachna Singh Thakur Mam and Dr Manish Sharma sir, to felicitate our Ex NCC Cadet Miss Monika Dwivedi, who secured AIR9 in CDSE OTA. She took the event to a greater level by her optimistic speech and mindblowing experience. This event can never get this successful without the appearance of our Group Commander Brigadier Sanjoy Ghosh, our Cheif Guest, guest of honour Commanding Officer of 4 MP BN, Col. Prashant Kumar and Lt. Col. Vineet Dwivedi Administrative Officer of 4 MP BN. Their presence was extremely inspiring for us. We would like to congratulate MissMonikaDwivedi on her success, her work was always appreciatable. We wish her all the prosperity and a bright future.

WORLD ENVIRONMENT DAY

Venue- IEHE Campus

Date- 05-06-2023

World Environment Day 2023, celebrated on June 5th, is a significant global event that brings attention to environmental issues and encourages action towards

sustainable development. On this day, individuals, communities, and organizations worldwide come together to raise awareness about the importance of preserving and protecting our planet. The theme for World Environment Day 2023 is "Restoring Our Earth," under the campaign #beatplasticpolltion emphasizing the need to restore damaged ecosystems, combat climate change, and promote sustainable practices. Through various activities such as tree planting, clean-up campaigns, and educational initiatives, World Environment Day 2023 aims to inspire collective action towards building a greener and more resilient world for present and future generations.

Being responsible citizens, we the cadets of IEHE NCC Unit celebrated World Environment Day. This event involved poster making competition on the topic '**Beattheplasticpollution**' in order to inculcate a sense of affinity between the environment and the cadets. Thereupon, we took out a rally in order to spread awareness among the society. And then this event ended up with a cleanliness drive as we believe 'cleanliness is not just about tidiness; but a reflection of our relationship with the environment'

Also, all the cadets actively and enthusiastically participated in all these activities, thus adding more glory to this event
