Department of Business Administration and Management

Report on: Workshop on Mathematics for Managers:

Day 3: Application of sets and number system

Date: 10th January, 2024

Venue: Seminar hall 3

Dr. Manoj Kumar Shukla, Head of the Mathematics Department esteemed the students by partaking in this workshop as a lecturer on the concept of Application of sets and number system.

He began his workshop session from the very basics, enlightening the students on topics such as number systems and their origin. Besides the disciplined

atmosphere, his session was also remarkable due to the cross questioning and reciprocal energy from the students.

He then talked about the Function, Set and Relation in numbers. From the beginning, the students were engaged and curious, they weren't hesitant to ask questions and answer when asked something. Overall, the cooperation and interaction between Dr. Manoj and the students were exceptional and continued till the end of the lecture.

Due to his continuous questioning and inquisitive attitude, the students were willing to pay attention and revise the basics of Numbers that they may not have remembered so well.
