About Atal Bihari Institute of Good Governance & Policy Analysis, Bhopal

Atal Bihari Institute of Good Governance & Policy Analysis (AIGGPA), Bhopal to be represented by its CHIEF EXECUTIVE OFFICER (CEO), AIGGPA (hereinafter referred to as "AIGGPA"), which expression shall unless repugnant to the context include its successors, representatives and permitted assigns OF THE FIRST PART.

About Institute for Excellence in Higher Education, Bhopal

Institute for Excellence in Higher Education (IEHE), Bhopal to be represented by its Director, IEHE (hereinafter referred to as "IEHE"), which expression shall unless repugnant to the context include its successors, representatives and permitted assigns OF THE SECOND PART.

AIGGPA and IEHE are hereinafter collectively referred to as "Parties" and individually as "Party".)

A. Objectives and Modes of Collaboration

1. The goal of this Memorandum of Understanding is to foster collaboration, and provide opportunity for professional, scholarly and academic interaction in matters relating to Public Policy, Governance, Administration and related areas, and to facilitate advancement of knowledge in these areas, based on reciprocity and mutual benefit. AIGGPA and IEHE agree to explore the possibility of engaging in the following modes of collaboration:
2. Holding collaborative programmes in the form of lectures, seminars, workshops, panel discussions, symposia, webinars, training programmes and the like in Public Policy, Governance, Administration and related areas.
3. Extending cooperation to each other in the areas of teaching, research, publication and other activities associated with Public Policy, Governance, Administration and related areas.
4. Preparation of Background Papers, Compendiums, White Papers, Dossiers, Policy Documents and the like on topical issues related to Public Policy, Governance, Administration and related areas, to be submitted to the Government, which could be of assistance to it, in policy formulation in those areas.
5. Publication of Proceedings of jointly-organized Seminars, Conferences, Workshops, Webinars, etc., as well as Background Papers, Compendiums, white papers, dossiers, policy documents and the like, on topical issues related to Public Policy, Governance, Administration and related areas.
6. Mutual sharing of infrastructure, resources and expertise in the organization of programmes and activities described above.

7. AIGGPA and IEHE agree that the following technical descriptions will guide each proposed activity identified and agreed upon by the two institutions.

B. Collaboration for Research and Development

1. The Parties agree to investigate ways of identifying and inviting serving and retired civil servants, academicians, researchers, faculty members and other competent persons from the other institutions to participate in ongoing research or development of programmes of mutual interest.
2. Further, the Parties agree to jointly identify and pursue opportunities for formulation and submission of new research project proposals or training programmes for possible funding by government and external agencies, if needed.
3. It is foreseen that when a member of either institution visits the other institution on invitation, or as part of such joint research project, or to organize a collaborative programme, such a visit will be subject to the regulations of the other Institution.
4. The parties agree to involve the students of IEHE & AIGGPA under apprenticeships/internships/research associates in various projects arising from time to time.
5. The parties also agree of launching of the joint online/offline/hybrid certificate programs on various topics as required from time to time, which can be on sharing model.

C. Exchange of Human Resources

The Parties agree to explore ways of encouraging collaboration between researchers/faculty members from the two institutions. Specifically, the two institutions would identify appropriate researchers/faculty members as Principal Investigator(s)/Principal Co- Investigator(s) at their respective ends, and encourage members of their researchers/faculty to undertake short visits for lectures, facilitate research projects at either end, etc. The terms and conditions for each visit or an assignment, including those concerning stipend, travel, and housing, would be worked out between the partner institutions. The resource sharing of the reading/training materials at library can also be accessed mutually among the parties.

D. Intellectual Property

AIGGPA and IEHE agree to respect each other's rights to Intellectual Property (IP). All background IP used in connection with this MoU shall remain the property of the Party that introduces it. No license is granted to any Party to use another Party's Background IP, unless specifically agreed to in writing. Further, the IP rights that arise as a result of any collaborative research or joint activity under this MoU would be subject to separate written agreement/s on the ownership and management of such IP, and each Party agrees to respect the ownership of IP of the other Parties in all dealings, consistent with officially laid down IPR policies of the partner institutions.

No Party to this Memorandum shall use the name, logo or any other designation of any of the other Parties without prior written consent.

E. Tenure and Termination

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for a period of five years. This MoU will be reviewed after 30 months; the terms of this MoU may be held rigid till the first review. Any extension to this MoU will be formally agreed to, in writing, by the Parties.

Either institution may terminate the MoU by giving written notice to the other Institution, six months in advance. Once terminated, neither Party will be responsible for any losses, financial or otherwise, which the other Institution may suffer. However, AIGGPA and IEHE will ensure that all activities in progress are allowed to complete successfully.

F. Arbitration

Any issues that are not addressed or stipulated in the MoU shall be discussed and resolved through negotiation in good faith and such resolution will be incorporated as written amendments to the MoU by mutual agreement between two Parties.

No disputes are foreseen in the implementation of the MoU. The two Parties, however, agree that if any dispute arises between them, efforts will be made to settle the same as amicably as possible. If the dispute still remains unsettled, it will be referred for resolution bilaterally to CEO, AIGGPA and Director, IEHE. The decisions so arrived at shall be final and binding on the parties to this MoU.

Live project internships, On-the-job' trainings, study tours, Guest lectures, workshops and skill enhancement events and workshops are extensively integrated in our curriculum.

INTERNATIONAL TIE-UPS

As we are committed to give best and upgraded content to students, we have had various International Tie-ups and collaboration with Universities and college of International repute for better opportunities.

Institute for Excellence in Higher Education is an 'A' grade state level academy, envisioned to be a centre for academic excellence by the govt. of Madhya Pradesh since its inception in 1995. Located in a lush green valley adjacent to Kaliasot Dam on Kolar road, Bhopal, this educational oasis enjoys a pride of place among the premier Institutions of the country. It is autonomous in academic, administrative & financial matters which have enhanced its credibility as a catalyst of progressive and incremental changes setting new benchmarks for other institutions of the state to redefine the limits of growth and development in Higher Education. Through an array of well structured Post-Graduate Courses, Honours Courses in Science, Arts & Commerce, and short term Vocational Courses that synergize conventional and contemporary realms of knowledge, the curriculum is industry integrated and globally embrative. With the pivotal focus on the integrated development of students through the inculcation of moral and spiritual values the Institute is housed in a sprawling campus with state-of-the art facilities like well equipped laboratories, digitalized library, ICT enabled services etc. which provide a congenial academic ambience for empowered and diverse learners. An ideal teacher-student ratio, robust track record of placements, effective and transparent Continuous Comprehensive Evaluation (CCE) scheme with its regular round of Seminars, Presentations, Group Discussions, Pedagogical Innovations and Vision Leadership make the Institute a virtual 'Excellence in Action'.

WHEREAS, both SGU and IEHE ,BHOPAL, now - Recognizing the importance of professional skills in the areas Academic development as well as imparting industrial training to the engineering/technology/sciences students, etc. as deemed fit.

- Appreciating the need for creation of large reservoir of qualified and skilled manpower in all fields related to ACADEMIC DEVELOPMENT
- Desiring to club their efforts by pooling their expertise and resources in an optimal manner.

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MOU) is entered into by and between

Govt. V.Y.T. Postgraduate Autonomous College, Durg (C.G.)

And

Institute of Excellence in Higher Education, Bhopal, Madhya Pradesh

A. Preamble:

The University Grants Commission has realized the need for a close linkage between Higher education Institutions and Universities in terms of research and academic activities.

Government Vishwanath Yadav Tamaskar Post-Graduate Autonomous College, Durg is a leading higher education institution in Chhattisgarh, established in 1958. Presently, it is affiliated to Hemchand Yadav University, Durg (C. G.). The college has been conferred with the status of autonomy by UGC in 1989. It is accredited with grade 'A+' by NAAC in the third cycle, and has been recognized by UGC as 'College with Potential for Excellence' (CPE), receiving the grant under IIIrd Phase of the scheme. Five departments from faculty of Science and one from Social Science have been identified by UGC under CPE scheme as highly rated departments. The institute has been shortlisted and recognized under DBT Star College Scheme by the Department of Biotechnology (DBT) Govt. of India. Under this scheme 6 departments from faculty of Science have been selected for providing financial support. The Department of Chemistry was recognized for improving Science and Technology Infrastructure (FIST) Scheme by Department of Science and Technology, Govt. of India. The department makes available around 180 undergraduates and 60 post graduates per session. The college has the distinction of being one of the 20 prominent institutions across the country to have been selected for providing suggestions on National Higher Education Qualification Framework (NHEQF) of India.

Institute for Excellence in Higher Education is an 'A' grade state level academy, envisioned to be a centre for academic excellence by the govt. of Madhya Pradesh since its inception in 1995. Article 1. Scope

The Second party will recognize the First party as an Institute for conducting research related to the thesis requirement of the research students for **M.Sc. Biotechnology**.

(Name of the degree programme). The Second party will recognize Scientists of the ICAR Institute as recommended by its Director in accordance with the University rules and regulations for guiding students working for the said degree.

Operational details of research effort and collaboration will be made in common research programmes and/or projects restricted to specific mandated domain within the approved disciplines/divisions. The objective(s) for research work for a student coming from a Second party outside NARS should be exclusively different as far as possible.

Research instrumentation facility and library facilities available with the First party and the Second party will be made available to the faculty and research scholars. However, the costs of specific consumables will be borne by the respective organizations.

There shall be an exchange of students for academic, research and training purposes. Accommodation in the Hostel shall be arranged, wherever possible, as per extant rates. The duration of exchange visits will be determined by mutual consent between both the parties.

Article 2. Management

Director of the First party and the Vice-Chancellor/Head of the Institution of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.

The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

Article 3. Exchange of Information

The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.

The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

Article 4. General Provisions

It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non-discrimination.

Article 1. Scope

- 1.1 The Second party will recognize the First party as an Institute for conducting research related to the thesis requirement of the research students for M.Sc/PhD dissertation/training.
The Second party will recognize Scientists of the ICAR Institute as recommended by its Director in accordance with the University rules and regulations for guiding students working for the said degree.
- 1.2 Operational details of research effort and collaboration will be made in common research programmes and/or projects restricted to specific mandated domain within the approved disciplines/divisions. The objective(s) for research work for a student coming from a Second party outside NARS should be exclusively different as far as possible.
- 1.3 Research instrumentation facility and library facilities available with the First party and the Second party will be made available to the faculty and research scholars. However, the costs of specific consumables will be borne by the respective organizations.
- 1.4 There shall be an exchange of students for academic, research and training purposes. Accommodation in the Hostel shall be arranged, wherever possible, as per extant rates. The duration of exchange visits will be determined by mutual consent between both the parties.

Article 2. Management

- 2.1 Director of the First party and the Vice-Chancellor/Head of the Institution of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.
- 2.2 The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

Article 3. Exchange of Information

- 3.1. The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.
- 3.2. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

Article 4. General Provisions

- 4.1 It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non-discrimination.

- 4.2 Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.
- 4.3 Both parties acknowledge that exchange of students from one party to the other shall be subject to the availability of funds and shall comply with the regulations and policies of the First party and the Second party.
- 4.4 Any research publications arising will be jointly published in accordance with the provisions laid out in Item 3.2.1C of the Guidelines for the students to conduct research for their degree programme as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised guidelines, if any, as may be issued from time to time.
- 4.5 A copy of the thesis/dissertation will be submitted to the First Party after the award of the degree by the Second party.
- 4.6 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.
- 4.7 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.
- 4.8 Nothing in this MoU is intended to affect other cooperation or collaborations between the parties.

Article 5. Intellectual Property Rights

- 5.1 The Second party will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. The ICAR as the first applicant (for its institute) and the Second party shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/breeder/author. The 'ICAR Guidelines for Intellectual Property Management and Technology Transfer/Commercialization' as amended from time to time shall be the reference for exploitation of the generated intellectual property, whose management and benefits sharing shall be mutually decided in each case.

Article 6. Admission and Fees

- 6.1 All those who wish to register as trainees or for Master/Doctoral programme under this MoU must apply for admission at the Second party. The allocation of Major Guide/Advisor would be finalized before the registration and will be governed by the provisions laid out in Items 3.2.1A and 3.2.2A of the Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time, for the students from within NARS and outside NARS, respectively.
- 6.2 Admission of the students and the award of degrees for different programmes will be the responsibility of the Second party as per the rules and regulations.
- 6.3 Allotment of the students at the First party will be done by the approval of Director of the First party and Vice-Chancellor/Head of the Institution of the Second party.
- 6.4 The First party would have the right to screen the student's eligibility for admission based on their academic period.

- 6.5 The PME Cell of the First party in consultation with the representative of the Second party shall decide the location and sharing quantum of research work.
- 6.6 The number of student(s) at any particular time will be subjected to the availability of research facilities and scientists' time to guide thesis research at the First party institution.
- 6.7 Any student(s) admitted to the First party for training/postgraduate research, if found violating the rules and regulations laid down by the First party or indulge in such activities that amount to tarnishing the image of the Institute, or cause damage to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.
- 6.8 Fees will be charged from the students by the First party as per Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time. No fee may be charged by the First party from the students registered with AU/DU within NARS. However a student registered with a Second party, outside NARS, will deposit fee of Rs. 10,000/- for training duration of 3 months (not leading to a degree/dissertation) and Rs. 30,000/- per semester (six months)/ Rs. 20,000/- (three months) for training, research, dissertation. Any change in fee structure by ICAR will be applicable from the date of revision and shall be charged by the First party.

Article 7. Entry into effect, modification and termination

- 7.1. This MoU shall become effective on the date it is signed by the parties and shall be valid for three years extendable up to five years. Both parties shall review the status of the MoU at the end of each three/five year period to determine any modification, whenever necessary. The period of validity of this MoU may be extended by mutual consent up to five years. This MoU may be amended by mutual written agreement and may be terminated at any time by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least six months in advance from the effective date of termination.
- 7.2. All joint activities not completed at the expiration or termination of the MoU may be continued until their completion under the terms of this MoU.
- 7.3 No amendment or modification of the MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be amendment of the MoU. The modifications/changes shall become part of the MoU and shall be effective from the date on which they are made/executed, unless otherwise agreed to.

Memorandum of Understanding
Between
Institute for Excellence in Higher Education, Bhopal
And
Rabindranath Tagore University, Bhopal

Institute for Excellence in Higher Education is an 'A' grade state level academy, envisioned to be a centre for academic excellence by the govt. of Madhya Pradesh since its inception in 1995. It is autonomous in academic, administrative & financial matters which have enhanced its credibility as a catalyst of progressive and incremental changes setting new benchmarks for other institutions of the state to redefine the limits of growth and development in Higher Education. Through an array of well-structured Post-Graduate Courses, Honours Courses in Science, Arts & Commerce, and short term Vocational Courses that synergize conventional and contemporary realms of knowledge, the curriculum is industry integrated and globally embracive. Having its campus located at Kaliyasot Dam, Kolar road Post Box No. : 588, Post Office Ravishankar Nagar Bhopal – 462016.

And

Rabindranath Tagore University (formerly known as AISECT University) having its campus located at Chiklod Road, Mendua, Bhojpur, Bhopal, Madhya Pradesh 464993.

Hereafter referred to as RNTU, of the Second part, for the benefits of students and faculty members.

The aforesaid institutions are hereafter referred to individually as institute and collectively as institutes.

Preamble

Whereas, INSTITUTE FOR EXCELLENCE IN HIGHER EDUCATION, BHOPAL (IEHE) AND RABINDRANATH TAGORE UNIVERSITY have many areas of common interest in management, commerce and computer applications, considerable advances may be gained from their pursuit on a collaborative basis in the fields of academics, education and research.

Now therefore, INSTITUTE FOR EXCELLENCE IN HIGHER EDUCATION, BHOPAL (IEHE) AND RABINDRANATH TAGORE UNIVERSITY have decided to enter into this

ARTICLE 1: OBJECT

Both institutes agree to develop the following collaborative activities in the academic areas of mutual interest on the basis of equality and reciprocity.

The two institutions shall seek to promote

a. Faculty Exchanges

- i. The exchanges of faculty to the mutual benefit of both institutions
- ii. Collaboration in teaching, research and development and consultancy studies in the field of mutual interest
- iii. Exchange of academic materials and publications
- iv. Conducting Lectures
- v. Undertaking joint research
- vi. Attachment of staff for purpose of curriculum development and review, upgrading of teaching and research skills
- vii. Participating in seminars, workshops, conferences, symposiums and other types of academic discussions
- viii. Conducting joint consultancy work
- ix. Faculty Development Programme in Entrepreneurship in association with AIC-RNTU Foundation, Supported by NITI AAYOG, AIM.

A specific plan will be worked out for each activity; setting forth detailed arrangements for collaboration will be agreed. Terms and Conditions for each visit or such exchange including those concerning monetary implications will be worked out between the institutes. A separate agreement will be entered as per requirements.

b. Student Exchanges

INSTITUTE FOR EXCELLENCE IN HIGHER EDUCATION, BHOPAL (IEHE) and RABINDRANATH TAGORE UNIVERSITY agree that student exchange will be guided by principles listed below:

A home institution refers to the institute where a student is a full time student and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a pre-determined programme of study and research (mutually agreed upon in advance).

- i. Exchange students will be selected by mutual agreement between the home institution and the host institution.
- ii. His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- iii. Since the host and home institution is within the same city, travel and food arrangements during the events can be made by the host institution on prior information.
- iv. E-Cell Establishment along with E-Leaders Training, Supporting Entrepreneurship and Startup activity in association with AIC-RNTU Foundation, Supported by NITI AAYOG, AIM.
