This MEMORANDUM OF UNDERSTANDING [hereinafter MOU] is made and entered into on -----between INSTITUTE FOR EXCELLENCE IN HIGHER EDUCATION, Madhya Pradesh (*herein after IEHE, Bhopal*) the ONE PART and CHIRAYU MEDICAL COLLEGE & HOSPITAL, BHOPAL, MADHYA PRADESH (*hereinafter 'CMCH, Bhopal*), on the OTHER PART(who for the purpose of this MOU are hereinafter individually referred to as 'PARTY' and collectively referred to as the 'PARTIES').

The PARTIES, having discussed the fields of common research interests and allied activities between the two institutions, have decided to enter into a long-term collaboration in the areas of education, training and research.

WHEREAS IEHE, Bhopal, is an 'A+' grade state level academy, envisioned to be a centre for academic excellence by the Govt. of Madhya Pradesh since its inception in 1995. It is autonomous institute in academic, administrative & financial matters which have enhanced its credibility as a catalyst of progressive and incremental changes setting new benchmarks for other institutions of the state to redefine the limits of growth and development in Higher Education.

And WHEREAS CHIRAYU MEDICAL COLLEGE & HOSPITAL, is a private-sector Medical College & Hospital dedicated to the suffering humanity of not only Bhopal but also to ailing patients of the whole state. The motto of organization is service above self. The dedicated services of highly experienced and qualified doctors have brought recognition of this institute. Chirayu Medical College & Hospital is the only hospital/institution in MP to get Quality Management System (ISO-9001), Environmental Management System (ISO-14001), Occupational Health Safety & Hazards (ISO -18001) all three ISO Certifications.”, NABL Certified -NABL (National Accreditation Board For Testing & Calibration Laboratories) grant accreditation to CMCH Laboratory & NABH Certified-NABH (National Accreditation Board for Hospitals & Healthcare Providers) grant accreditation to CMCH. The objective of this institute is to provide not only the best health care facility in the broad specialty of Medical Sciences but also provide best services in the Super-specialties with an aim to attract medical tourism and also be recognized not only in the state but also in the country. For the students teaching and training, the best state of art technology and instrumentation has been provided with latest books and recreation facility.

‘IEHE, Bhopal’ and the ‘CMCH, Bhopal’, recognizing the value of cooperation, have agreed to enter into this Memorandum of Understanding (MoU) regarding imparting practical exposure and training, to the all interested parties, at individual, group and corporate levels, on various aspects of Biotechnology and allied areas such as Molecular Biology, Pathology, Microbiology, Radiology etc. through mutual collaboration.

The purpose of this non-binding Memorandum of Understanding (MOU) is to make possible and to impart training and dissemination of knowledge between ‘IEHE, Bhopal’ and the ‘CMCH’, Bhopal’, based upon the principles of mutual equality and the reciprocity of benefits. AND HENCE it has been considered expedient to agree in writing to participate jointly in undertaking training and research projects as per the expertise and logistics available with the PARTIES.

Both Parties HEREBY AGREE:

- A. To conduct training programme as per the guidelines of Chirayu Medical College & Hospital, Bhopal, Madhya Pradesh and IEHE, Bhopal
- B. The training structure should be career oriented, academic and for skill up gradation of participants.

- C. The duration of training course will be short term, which could be completed in a span of Seven or 15 days and the nature of training will be both theoretical and practical.
- D. Apart to the above, the internship of PG students as per the requirement of PG syllabus of IEHE, Bhopal
- E. A certificate will be issued at the end on successful completion of course by training Institute.
- F. The training Institute will maintain attendance record of trainees, evaluate their work and give marks as per the set parameters of corresponding Institute.
- G. The fees if any as decided by the training Institute will be paid by the trainees to such training Institute.
- H. The PARTIES will seek opportunities to cooperate in research. The details of specific research proposals will be determined by the mutual agreement of both colleges. The form of cooperation may vary with the goal of each project
- I. To facilitate academic and cultural interchange, the exchange of research materials, publications and information between the PARTIES will be encouraged. Each PARTY will invite the other, when appropriate, to participate in conferences, symposia and short visits.
- J. This MoU shall remain in force for a period of THREE years from the execution date at the beginning of this MoU, with the understanding that it may be terminated by either PARTY, giving three months' notice to the other PARTY in writing. If this agreement is terminated by either PARTY, each PARTY agrees to carry out any obligations and responsibilities assumed prior to the termination date. This MoU may only be renewed if, after a review process between the PARTIES, the PARTIES agree in writing to renew it. This MoU may be amended by the exchange of official letters between the two PARTIES. Such amendments, once approved by both PARTIES, will become part

of this MoU. Neither PARTY may assign this MoU or any right under this MoU without the prior written consent of the other PARTY.

- K. This MoU is 'general in nature', for carrying out the activities mentioned above, however, specific MoU with each activity with mutually agreed terms may be signed for carrying out such activities.

IN WITNESS whereof this MoU has been duly executed on the date shown at the beginning of this MoU. This MoU has been executed in two originals, one of which has been retained by 'IEHE, Bhopal' and the other by 'CMCH, Bhopal'.

IN WITNESS WHEREOF, the PARTIES have executed this MoU and represent that they approve, accept and agree to the terms contained herein.
