Silver Jubilee Year 2020

National Symposium

on

Women in Science

27th February 2020

Organizer

Department of Chemistry,
Institute for Excellence in Higher Education

Venue

Auditorium, PURC Bhopal

Department of Chemistry, Institute for Excellence in Higher Education Bhopal is organizing a National Symposium on 'Women in Science' on 27th February 2020 as a part of Academic Excellence Activity in the occasion of Silver Jubilee Year of the Institute. This symposium aims to bring together women from various scientific fields in order to learn from and empower our future generation to make the scientific world a better place for girls and women, while providing an opportunities to showcase their research, celebrate their achievements, become inspired from them, create network, and engage in both personal and professional development.

About us:

Institute for Excellence in Higher Education: Institute for Excellence in Higher Education is an 'A' grade state level academy, envisioned to be a center for academic excellence by the govt. of Madhya Pradesh since its inception in 1995. Located in a lush green valley adjacent to Kaliasot Dam on Kolar road, Bhopal, this educational oasis enjoys a pride of place among the premier Institutions of the country. It is autonomous in academic, administrative & financial matters which have enhanced its credibility as a catalyst of progressive and incremental changes setting new benchmarks for other institutions of the state to redefine the limits of growth and development in Higher Education. Through an array of well structured Post Graduate Courses, Honours Courses in Science, Arts & Commerce, and short term Vocational Courses that synergize conventional and contemporary realms of knowledge, the curriculum is industry integrated and globally embracive. With the pivotal focus on the integrated development of students through the inculcation of moral and spiritual values the Institute is housed in a sprawling campus with state-of-the-art facilities like well equipped laboratories, digitalized library, ICT enabled services etc. which provide a congenial academic ambience for empowered and diverse learners.

Valedictory : 04:00 pm

Registration Process:

Registration will be done on the spot and offline, the registration fees will be for

Faculty Members Rs. 500/-

Research Scholar Rs. 250/-

Student Rs. 100/-

Nobel laureates in Chemistry – Women

Marie Curie (1911): Awarded the Nobel Prize “in recognition of her services to the advancement of chemistry by the discovery of the elements radium and polonium, by the isolation of radium and the study of the nature and compounds of this remarkable element.”

Irène Joliot-Curie (1935): Awarded the Nobel Prize jointly with her husband, Frédéric Joliot, “in recognition of their synthesis of new radioactive elements.”

Dorothy Crowfoot Hodgkin (1964): Awarded the Nobel Prize “for her determinations by X-ray techniques of the structures of important biochemical substances.”

Ada E. Yonath (2009): Jointly with Venkatraman Ramakrishnan and Thomas A. Steitz “for studies of the structure and function of the ribosome.”

Frances H. Arnold (2018): The Nobel Prize in Chemistry 2018 was divided, one half awarded to Frances H. Arnold “for the directed evolution of enzymes”, the other half jointly to George P. Smith and Sir Gregory P. Winter “for the phage display of peptides and antibodies.”

Poster/ Oral/ Model Presentation

Theme: Contribution of Women in Science

Poster Size: 100 cm tall x 65 cm wide.

Font Sizes - Title: 36 point type; List of authors: 25 point type; Double-spaced text: 15 point type.

Oral Presentation: Oral presentation will be given 12 minutes; 10 minutes for presentation and 2 minutes for discussion. Presentation must contain the title, authors name, affiliations, email, abstract, introduction, methodology, result, discussion and conclusion. Presentation should not exceed 20 slides.
