ACADEMIC FEST

Department Of Political Science And Public Administration

organised its Academic Fest On 29th September 2018.

The name of the fest Politico itself reveals the versatility of Fest and depicts the conduct of fest with a political Angle. Apart from the competitions based on Political importance , the recreational activities of the fest were also mixed with political colours . The usually called TAMBOLA was conducted as POLIBOLA and even the riddles of HOOT SHOOT were in political terminologies.

Major events were the quiz and debate on the topic “NDA V/S BJP” where students brilliantly put forth their political views; another exciting event was “RAJLEELA” where students dressed up as famous political figures. The enthusiastic group of first year students also performed a brilliant act highlighting the importance of Indian Army in holding nation’s sovereignty and integrity.

STAR ACHIEVER'S COLUMN

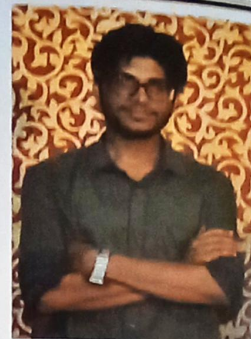

Political science department is kind of a blessing hand over me.. I came under this in the year 2011.. and it is showering it's blessing on me till date. गांधी जी का ग्रामोद्योग

आजादी की लड़ाई में भी स्वराज्य का विचार और उसका आर्थिक पक्ष अहम था। गांधी जी ग्रामोद्योग पर बहुत ज्यादा जोर देते थे। गांधी जी ने कहा था - "यदि ग्रामोद्योग का लोप हो गया तो भारत में सात लाख ग्रामों का सर्वनाश हो जाएगा"। वर्तमान समय में किसान नित नई समस्याओं से जूझ रहा है। किसान आंदोलन उनका शहरो की ओर पलायन रोकने में ग्रामोद्योग बहुत बड़ी भूमिका निभा सकते हैं। ग्रामों की कंपनी के फावड़ों, प्लास्टिक के कप, पत्तलों और अंग्रेजी देवाइयों की जगह ग्राम के लोहार का फावड़ा, कुम्हार का कुन्हर, पत्तल, दोना और देशज चिकित्सा की जान पद्धति लौटानी ही होगी। आवश्यकता है सरकार गुणवत्ता के मानदंडों का कड़ाई से पालन करवाये और ग्रामोद्योग को उत्पादों की बिक्री की व्यवस्था करवाये। उत्पादों के प्रचार का उत्तरदायित्व सरकार स्वयं उठाए। उच्च प्रयास शासकीय स्तर पर किये गए हैं जिनका अपेक्षित परिणाम भी विकास में दिखाई दे रहा है। ग्रामोद्योग के जरिये ग्राम, ग्रामीण, महिला, पुरुष शक्ति होंगे एवं गांधी जी के दिखाए मार्ग स्वावलंबन की ओर अग्रसर होंगे!

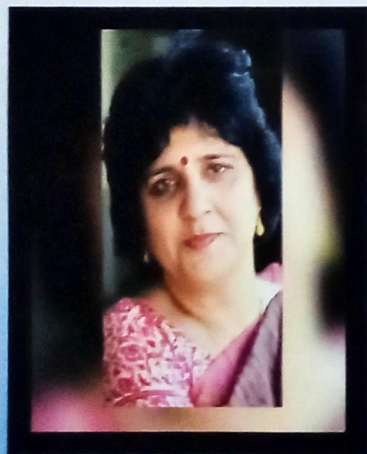

डॉ. इंदु पांडेय, (प्राध्यापक)

राजनीति विज्ञान एवं लोक प्रशासन विभाग

गांधी जी के विचारों में बहुत सी बातें ऐसी थीं, जिन्हें अपने जीवन में उतार कर हम समाज में व्याप्त बुराइयों को समाप्त कर सकते हैं। उनके द्वारा दिये गये ट्रस्टीशिप सिद्धांत को भी इसी सन्दर्भ में समझ सकते हैं। गांधी जी का मानना था कि पूंजीपति के पास जो अतिरिक्त धन है उसे उस धन का ट्रस्टी होना चाहिए; ताकि जब मजदूरों को आवश्यकता हो तो वे उस ट्रस्ट के धन का उपयोग कर सकें। जिसे पूंजीपतियों ने मजदूरों के श्रम से अर्जित किया है।

मैं विद्यार्थियों को यही संदेश देना चाहती हूँ कि अपरिग्रह और ट्रस्टीशिप के सिद्धांतों का पालन करें। ताकि संचय की प्रकृति को रोका जा सके और समाज में व्याप्त असमानता को दूर कर समाजवाद की स्थापना की जा सके।

"गौंधी : एक आदर्श"

सच को शिद्ध से जीने और उसके लिए मरने की ज़िद, यदि महानता की एक मात्र कसौटी मानी जाए तो महात्मा गौंधी का नाम सहज भाव से उभर कर आता है। गौंधी की महानता उनके साधारण इंसान का उन्नयन है। उन्होंने सत्य, अहिंसा, इंसानियत और प्रेम की न केवल बातों की और समर्पण किया बल्कि सभी आदर्शों को स्वयं अपने जीवन में अपनाकर समाज के लिये प्रकाशपुंज बने। महात्मा गौंधी के विचारों को किसी देश एवं काल की परिधि में नहीं बांधा जा सकता है। महात्मा गौंधी की 150वीं जयंती के इस वर्ष में उनके विचारों एवं आदर्शों को पढ़ने, समझने के साथ-साथ अधिक आवश्यकता उन आदर्शों को अपने जीवन में उतारने की है।
