DATE :- 31st January 2023

An Industrial Excursion was organized by the Faculty of commerce, IEHE for the commerce students. A special thanks to Dr Mukesh Jain sir for playing the leading role in the Excursion. Warm thanks to HoD Commerce Dr VK Shukla sir and Prof. Dr Vijayvargiya sir. Also a special thanks to Dr Preeti Mishra Mam for always being there for us. Next, thanking our faculty members-

Dr. Dhruv sir, CA Anadi sir, Insha mam, Ayushi mam, Saloni mam, Monika mam and Pooja mam for taking care of the students during the visit.

A group of students from Commerce Department visited following industries:

- 1.M/s Enterprising Engineers of Shri Nitin Bansal
- 2.M/s Paridhi Industries (Unit II) of Smt Kumud Tiwari
- 3.M/s D K Insulation Industries of Shri D K Kohli
- 4.M/s Bhanwardeep Copper Strips Pvt. Ltd of Shri Ashish Bafna
- 5.Shree Balaji Packaging (I) Pvt. Ltd of Shri Goswami

The visit started from IEHE college premises as all the students were taken by the bus to different industries of Mandideep and

Govindpura area. Also a plantation drive was done at every industry by IEHE.

At every industry students participated enthusiastically and learnt how a product is manufactured and also keenly observed the process involved in making the finished product.

The industry owners motivated the students by sharing their life stories and telling about the challenges they face everyday.

Everyone's journey is a real motivation for every student who looks forward to establish such industries.

Students learned that the business runs with the courage and not with money and fear. Today's practical training given to the students really helped them to understand the real implications of theoretical knowledge.

Being commerce students, they learned about the investment, cost involved, turnover of all the industries. The various attributes of successful entrepreneurs such as drive, communication skills and technical skills were also learnt by the students during their visit to all the industries.

The Excursion motivated the students to work hard and start a new venture through adequate forward planning and the execution of the plans.

All the students were provided refreshments by College as well as Industries . Through the visit, students gained hands on practical knowledge on various industrial processes and it's management concepts.
