

23 September was observed as the fifth day of Inter-College Debate Competition conducted by the Department of Business Administration and Management of IEHE under the Faculty of Commerce on the

topic “Has Social Media Improved Human Communication”.

The event started with welcoming the Chief Guest of the competition Dr Asha Agrawal Principal , Dr Shampa Malhotra Hod of Satya Sai College and Professor Pallavi Dixit from Sistec Ratibad who counselled the students with their inspirational words. Next Dr Sharda Gangwar , Head Of Department, Business Administration and Management emphasised the significance of the effects of social media on today’s generation.

How can be a day spent without the supervision of Director Dr. Pragyesh Kumar Agrawal who not only filled the students with encouragement but also inculcated the values of amiability.

The day went well with the Marvelous performance of Sistech college and Nri College . The competition was worth enjoying the audience. Every debater was cheered and clapped up for their pleasing presentation and sharp arguments. The competition revealed different aspects of social media improving communication.And How can there be a debate if there's no rebuttals, participants came up with pragmatic counter questions to prove their point and insisted other's in believing the same.
