

24<sup>th</sup> September 2022 noted as the sixth day of the inter-college debate competition "BATTLE OF WITS" conducted by the Department of Business Administration and Management under the Faculty of Commerce on the topic 'Has social media improved human communication'? The event began by gratifying the respectable chief guest Dr. Manish Bilore, Sagar Institute Of Science And Technology College, Bhopal then he expressed his views and thoughts about the necessity of social media in this era.

Our special guests included Dr.Neha S Nair, Professor IPER UG College who together with the students of the respective college performed marvellously in the competition. The participants adhered to the topic and the audience was eager to counter attack.

The judges of the competition ranked the students on different criteria including relevancy to the topic, discipline and delivery of the argument. After all the performances, scores were totalled and submitted for final evaluation.

thanked for all the participation. She spoke highly of all debators for their logical And rational arguments.

The program was concluded by giving vote of thanks to the jury members, teachers, and the participants. The anchors Akshat Pathak , Maitreya Chaturvedi , and Mayoni Sakalley directed the program throughout by their kind words.
