Professors : *Dr. S.S.Vijayvargiya sir*

Dr. Mahendra Singhai

Dr. Mukesh Jain

Dr.Nimra Saleem

SPECIAL THANKS

A sincere thanks to Dr. PREETI MISHRA MAM, a dedicated lover of mother earth, for providing us plants the most beautiful gifts of nature.

One week plantation and campus cleanliness drive is organised by IEHE to celebrate “Gandhi Jayanti” and “Azaadi ka Amrit Mahotsava”. Today it was Commerce Department's turn to conduct the concerned drive. Faculty of Commerce along with the members of Commerce Society successfully conducted the aforesaid drive.

Around 20 plants were planted in total which included 10 Zinnia plants and 10 snake plants. College Gardeners also helped us to trench the soil and plant the seedlings. Professors also informed us that snake plants can grow even in damp and sandy soils. We also took care of the spacing between plants as after blooming up they'll also become the decorators of IEHE.

Throughout the drive cleanliness was maintained and the poly bags too were collected separately in a rag keeping in mind the idea of clean and green IEHE. Discipline was also maintained throughout the entire drive.

At the end, a group photo was clicked with some good memories and with this the plantation and cleanliness drive became a successful event.
