

**Institute for Excellence in Higher Education,
Bhopal (Mp) Department of Chemistry
Workshop report**

The department of chemistry organized a workshop on **"Preparation on Question bank"** For vocational course (B.Sc. 3rd and 4th) semester, Paper titled **"Medicinal Plants and Herbal Technology"** On 20/02/2023 at 12:00 pm in the Department of Chemistry.

The Chief Spokesperson were:

- **Dr. Diwa Mishra, Nodal Officer (E-Content Development), Department of Higher education**
- **Dr Anil Kumar Koshal, Asst. Professor, Govt college Lateri**
- **Dr. Ranjeeta Choudhary, Asst. Professor, MANIT, Bhopal**

The workshop was conducted under the supervision and navigation of respected Director, Dr. P. K. Agrawal Sir and the HOD of Chemistry Department, Dr. Anita Shinde mam.

The course coordinators were:

- **Dr. Jyoti Saxena**
- **Dr. Nidhi Chauhan**

And the committee members were the whole staff of Chemistry Department.

The Workshop started with the Lamp Lighting, and with chanting of the beautiful Saraswati Vandana.

A detailed discussion was done on how to enhance and improve the structure of the questions and some changes were made accordingly. All the members were actively involved in the discussion.

Different types of questions were prepared which included some MCQs, Long and short type, Match

the columns, etc. and were discussed thoroughly.

Some Modules were prepared by Dr, Ranjeeta Choudhary, which were based on Medicinal plants, and some were prepared by Dr. Anil Kumar Koshal, which was about herbal technology.

The Key points were:

1. **Understanding the background and importance of Medicinal Plants.**
2. **Understanding the scope of Herbal Technology.**
3. **Storage and quality control for Medicinal plant products, etc.**

The Workshop ended with a healthy consultancy about this course.

Name of Participating students Shreya Shrivastava, Sneha Dua.
